Note:

[1] Government prices also apply to nonprofit organizations. "All" refers to Government, Academic and Commercial.

[2] The final price for a SUDAAN license is computed by summing the corresponding prices for each user associated with the license. For example, the final price for a First Year, SAS callable, Individual User License (academic) for 12 users is:

- \$1,010 (for user #1)
- + 8 * \$370 (for users #2, #3, #4, #5, #6, #7, #8, #9)
- + 3 * \$195 (for users #10, #11, #12)
- = \$4,555 (Total Price)

Please contact the SUDAAN Product Coordinator at sudaan@rti.org or visit www.rti.org/sudaan for additional information on pricing.

**State sales tax will be applied to all orders shipped to some states.
Please visit www.rti.org/sudaan for additional information.**
