About RTI

RTI International is an independent, nonprofit research institute dedicated to improving the human condition. Our mission is to improve the human condition by turning knowledge into practice. Clients rely on us to answer questions that demand an objective and multidisciplinary approach—one that integrates expertise across the social and laboratory sciences, engineering, and international development.

We conduct research and deliver technical services on behalf of government agencies, universities, foundations, private businesses, and other organizations. We serve clients around the world, with a science-based approach to projects of all sizes—from focused studies and applied R&D to large-scale national and international longitudinal research efforts.

RTI provides the multidisciplinary expertise and research insights our clients need to inform policy, practice, and programs through 12 practice areas:

- Health
- Transformative Research Unit for Equity
- Education and Workforce Development
- International Development
- Water
- Energy Research
- Environmental Sciences
- Justice Research and Policy
- Food Safety and Agriculture
- Innovation Ecosystems
- Climate Change
- Military Support
