   • If this is a new business venture, please explain briefly about the origin of the business idea and any prior business experience of the lead business proponents.

C. Investment Idea: Briefly describe your idea for investment collaboration with the KCDMS activity. Please note that this is a one year investment activity.
   • What is your business’s idea for growth or innovation? What is the goal? How would this change your business?
   • What market need would this idea meet? What is the anticipated competition in this market?

1 Please indicate N/A where appropriate.
• What required changes would your business need to make in order to do this?
• Why has your firm been unable to accomplish this independently?
• What are the associated risks?
• What is the scale of the activity? (e.g. geographic, expected growth in business volume, customers, etc.)
• What is the expected timeframe for the collaboration?
• If the proposed idea will scale up an existing activity or approach, please provide results and learning from previous work

D. Expected Results: Demonstrate return on investment (expected profit as a result of your investment) within 3 years, including a plan for sustained activities during and beyond USAID support after the first year. How will your investment benefit other players in the value chain?
• How many smallholder farmers will participate?
• Over what acreage?
• How much sales will be generated?
• Will the intervention have any positive impacts for women or youth? Will it impact nutrition?

E. Previous Donor support/Investment: Has your organization had any previous support or investment from a donor organization? If so, please provide information as per the table below:
