Statement of Work

Description of Activity/Service:

RTI is an independent organization dedicated to conducting innovative, multidisciplinary research that improves the human condition. Founded as a centerpiece of the Research Triangle Park in North Carolina in 1958, RTI offers innovative research and development and a full spectrum of multidisciplinary services.

RTI envisages entering into a Master Services Agreement (MSA) with the successful bidders for the provision of an indefinite quantity of Transportation Services (Vehicle with Driver Rental) in North and Northeast, Haiti in support of its operations. In the event of RTI signing MSAs, the following shall apply:

1. The agreements shall be valid for 12 months from the date where both parties have signed the MSA with an option for a further extension of 12 months at RTI's discretion.

2. RTI will not be committed to purchase any minimum quantity, and purchases will be made only if there is an actual requirement. RTI shall not be liable for any cost if no purchases are made under any resulting MSA.

3. RTI intends to award more than one MSA to the responsive and best evaluated bidders.

4. The MSA holders must be able to provide quality and on-time services.

5. If there is an annual schedule of rates adjustment by the vendor for all clients, such as January 1 each year, the established rates may be renegotiated at that time and reflected through an Amendment to the MSA.

6. The confirmation of orders for specific requirements will be placed by issuing Purchase Orders or Task Orders/Letter of Authorization.

7. Typical yearly RTI requirement deliverables are listed in the attached Pricing and Description of Proposed Services, which bidders will need to fill out and submit to RTI.
