Below please find clarifications to questions from bidders.

	QUESTION	RTI's Response
1	<p>Page No. 8 All the work will be undertaken in the Republic of Uganda, Except for report writing which can be performed remotely.</p> <p>Question: Please clarify the expected duration or the number of days the team of consultants will be required to be in Uganda for the project.</p>	<p>Based on the SoW, all field related activities e.g., focus group meetings, workshops are expected to be performed in country. The number of days is at the consultant's discretion and delivery ability. Subject to a limit of 40 days spread cover 3 months as indicated in the pricing template.</p>
2	<p>Page No. 9 Sub-contracting of any part of this work will not be accepted.</p> <p>Question: Please confirm if forming a consortium with a Ugandan firm for local support will be acceptable for a portion of the scope of work. We'd appreciate it if you could also inform us about any limitations on partnerships, and the distribution of the scope of work and budget among consortium partners</p>	<p>Partnering with local experts is allowed if they meet the prescribed criteria.</p>
3	<p>We would like to request an extension to the submission deadline</p>	<p>This is to confirm that the deadline for bidders to submit their proposals has been extended to May 1, 2024, at 5pm EAT.</p>
