

## Defense Federal Acquisition Regulation Supplement (DFARS) Clauses

In addition to any applicable Federal Acquisition Regulation (FAR) Clauses, this Purchase Order/Consultant Contract/Subcontract involves funds from a Department of Defense contract, or funds from a subcontract relating to a Department of Defense contract, and relevant clauses from the Defense Federal Acquisition Regulation Supplement (DFARS) are incorporated into this Purchase Order/Consultant Contract/Subcontract by reference with the same force and effect as if they were given in full text, and are applicable to this Purchase Order/Consultant Contract/Subcontract. The full text of the DFARS clauses referenced herein may be found at <http://www.acq.osd.mil/dpap/dars/dfarspgi/current/index.html>. Vendor/Consultant/Subcontractor agrees to flow down all applicable DFARS and other supplementary clauses to any lower-tier subcontractors working pursuant to this Purchase Order/Consultant Contract/Subcontract.

Where necessary to make the language of the DFARS clauses applicable to this Purchase Order/Consultant Contract/Subcontract, the term "Contractor" shall mean "Vendor," "Consultant" or "Subcontractor" as appropriate, the term "Contract" shall mean the "Purchase Order," "Consultant Contract" or "Subcontract" as appropriate, the terms "Government," "Covered Entity," "Contracting Officer," and equivalent terms and phrases shall mean "Research Triangle Institute."

No provision contained in a DFARS clause shall be taken to imply any direct access on the part of the Vendor/Consultant/Subcontractor to the Disputes process as defined in the terms of RTI's Prime Contract, but rather shall be governed by the "Disputes" provision included in this Purchase Order/Consultant Contract/Subcontract.

The following instances are exceptions to the general rules as provided above:

1. Where it is clear, by the context of the provision itself or the conditions under which it is being applied, that the reference is intended to refer to the Government, its officers or agents, or the prime contractor specifically;
2. Where an explicit provision of the Purchase Order/Consultant Contract/Subcontract states a contrary intent;
3. Where access to proprietary financial information or other proprietary data is required; or
4. Where interpretation in accordance with the rules stated above would place the prime contractor in a position of violating the equivalent or related provisions of the Prime Contract whereas construction of the terms without modification would not.
