Attachment A
Commodity Specifications or Statement of Work

Statement of Work

Indicate a description of the activity/service that is expected from the supplier. Provide product specifications or service expectations (both if applicable). Include deliverables, timelines, and any special terms and conditions.

Description of Activity/Service:

| Feasibility Study for Wildlife Ranching in Uganda focused on three geographic areas (Karamoja, Murchison Falls/Acholi Region, and Lake Mburo). |

Product or Service Expectations (both if applicable):

UWA, with financial support from USAID/Biodiversity for Resiliency (B4R) Activity, is seeking a competent consultant to conduct a feasibility study for development of wildlife ranching and farming (wildlife use right class B) in Uganda, as defined by rearing/growing wildlife for a variety of commercial purposes (e.g. wildlife products, recreation and eco-tourism, sale of wild animals, other uses).

The overall purpose of the study is to conduct a feasibility study to identify viable wildlife-based enterprises in wildlife ranching and farming, which would create economic incentives for local communities and landowners to participate in conservation thus, fostering and supporting the community-based wildlife management in Uganda for the benefit of the targeted communities and ecosystems.

The feasibility study is expected to:

- Inform and generate recommendations and strategies for development of wildlife ranching/farming conservation enterprises.
- Develop the recommendations for further regulations needed for successful development and growth of wildlife ranching in Uganda.
- Identify the potential opportunities, including preparing the requisite information for their development (e.g. type of products and markets, location, scale of enterprises and necessary investment).
- Guide management on how good practices and synergies can be domesticated.

Geographic scope is to focus specifically on these three regions:

- Karamoja – primarily the areas around Karenga Community Wildlife Area the forming Karenga Conservancy in six (6) districts of Karenga, Kaabong, Kotido, Kitgum, Abim, and Agago.
- Murchison Falls and greater Acholi Region – areas buffering the national park, such as Murchison Community Conservancy and other surrounding areas.
- Lake Mburo – the areas bordering the national park, such as Rurambira Conservancy.
Deliverables, Timelines, Special Terms and Conditions:

Detailed deliverables and outputs will be developed during the assignment and will include the following:

All information presented in the Sellers quote/proposal will be considered during RTI’s evaluation. Failure to submit the information required in this RFQ/RFP may result in Seller’s offer being deemed non-responsive. Sellers are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach RTI’s office designated in the RFQ/RFP by the time and date specified in the RFQ/RFP. Any offer, modification, revision, or withdrawal of an offer received at the RTI office designated in the RFQ/RFP after the exact time specified for receipt of offers is “late” and may not be considered at the discretion of the RTI Procurement Officer. The Seller’s proposal shall include the following:

   (a) The solicitation number:

   (b) The date and time submitted:

   (c) The name, address, and telephone number of the seller (bidder) and authorized signature of same:

   (d) Validity period of Quote:
(e) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary.

(f) If RTI informs Seller that the Commodity is intended for export and the Commodity is not classified for export under Export Classification Control Number (ECCN) “EAR99” of the U.S. Department of Commerce Export Administration Regulations (EAR), then Seller must provide RTI the correct ECCN and the name of Seller’s representative responsible for Trade Compliance who can confirm the export classification.

(g) Lead Time Availability of the Service.

(h) Terms of warranty describing what and how the warranties will be serviced.

(i) Special pricing instructions: Price and any discount terms or special requirements or terms (special note: pricing must include guaranteed firm fixed prices for items requested).

(j) Payment address or instructions (if different from mailing address)

(k) Acknowledgment of solicitation amendments (if any)

(l) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including points of contact with telephone numbers, and other relevant information)

(m) Special Note: The Seller, by his response to this RFQ/RFP and accompanying signatures, confirms that the terms and conditions associated with this RFQ/RFP document have been agreed to and all of its attachments have been carefully read and understood and all related questions answered.

4. **Forms:** Sellers (potential bidders or suppliers) must record their pricing utilizing the format found on Attachment “A”. Sellers must sign the single hardcopy submitted and send to address listed on the cover page of this RFQ/RFP.

5. **Questions Concerning the Procurement.** All questions in regards to this RFQ/RFP to be directed to
